

MASTER GROOMER MODEL: B-MG-6

- "Broom In" crumbed rubber, sand or a combination of both into artificial turf. "Quick & Slick"
- Towable with any light weight turf vehicle.
- Treadless turf tires – ensure minimum PSI on synthetic and natural turf – leaves no tire marks - no fear of compaction.
- Three rows specially designed bristle brushes fitted into recyclable mounting blocks – no fear of bristles pulling and falling out as in wood mount blocks.
- Three wheeled carrier frame permits short turns without marring or scuffing grassed surface.
- Towing/working width is six feet, which allows for fast efficient grooming.
- Brush mounted on calibrated screw jacks – permits the correct contact with grass fibers to "Tickle the turf".
- Raise Brushes free of turf for transport and storage when not in use.
